

PBXACT 25

Ideal for Small Businesses

PBXact 25 is our smallest on-premise based appliance built for small businesses looking to seamlessly integrate IP phones and VoIP trunks while improving employee collaboration and productivity with a large suite of advanced features. PBXact 25 supports up to 25 licensed users and 15 simultaneous calls.

Included PBXact Features

Enhanced Modules

All PBXact appliances includes the follow enhanced modules:

- » Call Recording Reports
- » Class of Service
- » Conference Pro
- » Extension Routing
- » Fax Pro
- » Park Pro
- » Page Pro
- » SysAdmin Pro
- » Voicemail Notify
- » Voicemail Reports
- » XMPP Pro

Quick-Start Installation Wizard

The quick-start Installation Wizard for PBXact makes it incredibly easy to get your PBX set up with basic configuration in just a few minutes!

User Control Panel for Personal Administration

UCP provides each user with a web based login to allow easy control of their personal experience from any device. Users can view their call history, view contacts, set their presence and personalize their phone soft-keys like call forwarding, follow me, call waiting and do not disturb.

Zulu UC Desktop Integration

Zulu UC Desktop Integration is included with all PBXact Systems, providing users with: a feature-rich softphone for true office mobility including SMS and FAX capabilities, click-to-call from web browsers and screen pops for helpdesk integration.

Integration with Sangoma IP Phones

Zero Touch Provisioning

Designed specifically for PBXact, Sangoma's line of IP Phones auto-provision themselves out-of-box using our Redirection Service and EndPoint Manager Module.

Full Suite of Phone Applications

A suite of applications to control functions and settings directly from the screen of IP phones. No need to remember feature codes! PhoneApps are built-in to Sangoma IP Phones and also offered to 3rd party vendors.
