

# CONFERENCE EXTENDER

FOR USE WITH LOGITECH® CONFERENCECAM GROUP OR CC3000E

## BREAK FREE OF LENGTH LIMITATIONS

This extension kit provides the ability to mount a Logitech ConferenceCam Group or CC3000e Camera\* or Speakerphone\* up to 100 feet (30 metres) away from the system hub. This solution requires two standard Cat5 or Cat6 cables for extension. Installation is made easy through labeling and colour coding.

84019

## WE MAKE IT SIMPLE

### Select How Far You Need To Go

Extends the camera or speakerphone of either Logitech ConferenceCam Group or CC3000e system up to 100 feet (30 metres). To get the cleanest installation, simply add the length of Cat5 or Cat6 cable you'll need to extend.

### Easy Install

Labeled and colour coded for easy installation.

### Custom Design

Designed especially for the Logitech ConferenceCam Group or CC3000e.
