

## Wideband Binaural Headset

### A100D

The A100D is a wired binaural headset designed for maximum comfort and performance. Its lightweight and ergonomic design means it can be worn comfortably all day. The wideband technology ensures high-definition sound and crystal-clear communication. In addition the flexible boom and the passive noise cancelling microphone guarantee clear voice transmission. With the various Quick Release (QR) adapters available this headset is perfect for use in multiple scenarios.
